Payment Reference

When making payment into the Foundation's Banking Account, please take care to use the applicable Beneficiary Payment Reference so that such payment may be correctly allocated:

Identifiable Benefactors	If you are an identifiable benefactor – existing or new – making a financial contribution to the Foundation, please use either of the following as a payment reference, in order of priority and first availability: ➤ If you have a Pro Forma Invoice for the contribution being made, please use the serial number of that document (e.g.: PF99999). ➤ If you do not have a Pro Forma Invoice (you are more than welcome to request one before making your contribution), please use your full name or the name of company making the contribution (as applicable). Note: If you are not in contact with the Foundation regarding how your contribution should be used, and/or if you would like a Tax Receipt (in terms of Section 18A of the Income Tax Act) issued to you, please send an email to treasury@evelynfoundation.org.
Anonymous Benefactors	If you are a benefactor who wishes to remain anonymous, please use only the name of the programme you are contributing to as your payment reference (example: Health & Welfare). If your contribution need not be allocated to a specific programme, please use General Contribution as your payment reference.

The Evelyn Foundation thanks you for your generosity.
